The patient will be asked at check out if they would like a their clinical summary for today's visit. If the patient requests their clinical summary, the care plan will automatically print on it. ****Care plans must be completed before the patient leaves****

The front desk will click on the **CS** button on the daily schedule to print the clinical summary with the care plan.

The screenshot shows a software interface for a daily schedule. At the top, there is a search bar for 'Provider' with the value 'ALLSCRIPTS,Provider' and a magnifying glass icon. Below that is a 'Date' field set to '09 Aug 2018' with a calendar icon. To the right are buttons for 'SUN' and 'MON'. The main part of the interface is a table with columns: '\$', 'N', 'TC', 'SOC', 'CS', 'A', 'Pt Loc', 'Pt Status', and 'Time'. The 'CS' column contains two icons of a document with a downward arrow, which are circled in red. The 'A' column contains 'Arr' for both rows. The 'Time' column shows '01:30 PM' and '02:00 PM'. The second row is highlighted in green.

\$	N	TC	SOC	CS	A	Pt Loc	Pt Status	Time
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		Arr			01:30 PM
		<input checked="" type="checkbox"/>	<input type="checkbox"/>		Arr			02:00 PM
