

Frequently Asked Questions

2. What are the benefits of using FollowMyHealth™?

FollowMyHealth™ is a secure online website that gives patients convenient 24-hour access to personal health information from anywhere with an internet connection. Using a secure username and password, patients can view health information such as appointments, clinical summaries, medications, immunization, allergies, and lab results. FollowMyHealth™ also allows patients to exchange secure e-mail with their healthcare teams, request prescription refills, request non-urgent appointments, make payments, and view educational materials.
