Prenatal—Adding Comments & Saving module

Did you know, you can add comments under History/Exam tab? 1. Go to Prenatal by clicking Prenatal in the action **ALLSCRIPTS**, Nora bar on the left. TouchWorks 2. Click History/Exam tab at the top. Chart PRENATAL 3. Throughout sections of the History/Exam page, you will see "+ Add Comment" link at the end of the section. InfoButton 4. Click link, and a free text box will appear. Keep in **COS Patient** mind, macros will work in these sections as well.
